

WELCOME

We are Lexington Independents and proud to be the new food service partner at WT. Below you will find exciting new concepts we will bring to campus. In addition, you will find contact information and your [dining website](#). Of course, if there are additional questions, we welcome the opportunity to interact with parents, caregivers, faculty, staff and students.

SO GOOD!
FOR YOU. FOR THE PLANET.

BeWell

BeWell is your wellness and End2End menu management platform. This provides transparent menus that includes top 9 allergens, daily offerings and a healthy approach to help you have a more balanced dining experience. We offer daily, weekly, and monthly specials, free take-home recipes, wellness promotions and more! We make the healthy choice the easy choice.

DINING ACCOUNT OPTIONS

Dining Account

All students are set up with a dining account based on the selection made in the enrollment contract. Dining accounts allow students the flexibility to make a la carte food purchases at any time. Funds can be added by visiting the Business Office or by accessing your account online at www.myschoolbucks.com. Families must contact the Business Office each school year to opt out of the dining account for their student(s).

Annual Meal Plan

Jr. Pre-K – Grade 5	\$1,135
Grades 6-12	\$1,235

The meal plan offers a more cost-effective option than the a la carte pricing and includes everything in the cafeteria during lunch.

A meal plan consists of a hot entrée, 2 hot sides, daily dessert, milk, juice or flavored water, soup or salad bar and a piece of hand fruit. In lieu of the hot entrée a student may substitute a sandwich Monday through Thursday or on Friday a sandwich or slice of pizza.

Please contact the Business Office to purchase a meal plan or to change your dining account selection.
